**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

You know what happens when the big companies collude. We get less service and it costs more. Please stop this madness and leave alone the 1996 Communications Act. We have had horrendous problems with AT&T and Comcast. Our Sonic provider gives wonderful service. People actually answer the phone when we have complaints and problems, and they care. Remember this is supposed to be the land of free competition. Do not listen to the lobbyists, for a change.
